### **2010-11 CMA STUDENT AMBASSADOR – Michael Lanteigne - University of Guelph, Bachelor of Commerce**

Hello, my name is Mike Lanteigne and I am excited to be the CMA Student Ambassador at the University of Guelph for the 2010/2011 academic year. I am a fourth year Bachelor of Commerce Honours student with a major in Accounting. I have recently transferred into this program from Marketing Management. I am looking forward to the coming year, as it will be the first academic year of the new Accounting major providing students with the opportunity to actively pursue their CMA requirements while completing their degree.

The CMA designation is one that combines both accounting expertise with strategic management strategies. I encourage all students, both within the commerce program as well as students from various other academic fields to obtain the required information needed to make an accurate choice in regards to the accounting designation you wish to pursue, as well as the future career paths you will aspire to.

We will be holding numerous events on campus to educate students to this matter, and look forward to your enthusiasm and participation in events such as the CMA Etiquette Dinner, as well as the CMA Panel Night. I will make myself available to field any questions you may have in regards to this designation, the Bachelor of Commerce program, or any other matters influencing your studies here at the University of Guelph. I look forward to meeting many of you, and representing CMA Ontario at the University of Guelph.

Cheers!
