

**2011-12 CMA STUDENT AMBASSADOR – Allison Miceli – McMaster University –  
Honours Bachelor of Commerce**

I am excited to return for a second year as the Campus Ambassador at McMaster University! This past year we had many successful events including the Etiquette Dinner and CMA Roundtable, and it is my hope to run these events in the coming year as well as many more! It was a great experience getting to meet all of the students out at the events and information sessions. I am presently entering my fourth and final year at McMaster with hopes of obtaining full time employment upon graduating or exploring my options in terms of graduate school or travel. I will again, be an active member on the DeGroote Accounting Association (DAA) and look forward to seeing everyone out at both the DAA and CMA events! Please let me know if you have any questions regarding the CMA Designation or related information, I'd be more than happy to help you out.
