Accountants**

Application Form for

**Members of the Chartered Institute of Management
Accountants of the United Kingdom (CIMA-UK)**

**Seeking Membership with the Certified Management
Accountants of Ontario (CMA Ontario) through a Mutual
Recognition Agreement (MRA)**

INTRODUCTION AND APPLICATION CONTENTS

CMA Canada and the Chartered Institute of Management Accountants (CIMA) in the United Kingdom have established a Mutual Recognition Agreement (MRA) on the basis that both associations share common and strong interests in the advancement of the profession of management accountancy, especially in relation to the maintenance and strengthening of professional, educational and ethical standards.

The MRA establishes an arrangement whereby eligible members of CIMA can apply to be recognized as members of CMA Canada-affiliated provinces or territories, subject to the specific accreditation requirements of those jurisdictions. As self-regulating professional bodies mandated by legislation, all provincial or territorial Societies/Orders have the sole authority to accredit CMAs, and to impose additional requirements over and above the minimum requirements specified in the MRA documents. Consequently, there is no recourse to appeal such additional requirements to CMA Canada, CIMA (UK), or any other body.

Please note that the MRA signed between CMA Canada and CIMA (UK) does not address the particular or additional requirements, whether required by the CMA Canada, CMA Ontario or the law, necessary to practice as a Public Accountant or to undertake the provision of services to the public in Canada on a fee for service basis. Any individuals wishing to pursue such roles must first qualify for accreditation as a CMA, and then complete additional training and qualifications as directed, in this instance, by the CMA Ontario.

INFORMATION AND INSTRUCTIONS – READ CAREFULLY

To be eligible for admission as a designated member of CMA Ontario, applicants must:

- possess a university degree or the equivalent, recognized by CMA Ontario.
Applicants without a university degree will be accepted for membership if they possess a minimum of five years of practical experience at the “incontestable level” in a strategic leadership position or at the Advanced Proficiency level of the CMA Competency Map¹.

- declare any previous disciplinary action and any criminal convictions for which a pardon has not been granted.
- have qualified as a professional accountant by completing the entire CIMA program of studies. Also, applicants must have started the CIMA program of studies prior to immigrating to Canada.
If the applicant completed part of a program through a third organization and received advanced standing with CIMA, CMA Ontario reserves the right to accept or reject the application at its discretion.
- have not previously attempted and failed a CMA Canada qualifying examination. While candidates that have previously failed a CMA Canada qualifying examination can not take advantage of this Mutual Recognition Agreement, they are encouraged to pursue the CMA designation through an alternate route.

Applicants must complete and submit the following:

- Practical Experience Form
- CMA Ontario Professional Membership Application Form
- Proof of Completion of University Degree
- A letter from CIMA attesting to membership as a CIMA member in good standing and completion of the CIMA program

INFORMATION AND INSTRUCTIONS – READ CAREFULLY

Please note that there is a requirement under Attachment A for the applicant to obtain the sponsorship of one designated member of CMA Ontario in good standing (or, if necessary, members in good standing from another CMA Canada affiliate jurisdiction). *The requirement to find such sponsors is that of the applicant on an individual basis, and CMA Ontario staff members holding the designation will not sign or sponsor applicants as a matter of course.* Please also note that any designated member may legitimately refuse a request to sponsor an applicant without specific explanation, and applicants are reminded that all sponsorships are voluntary on the part of the member.

CMA Ontario will honour all disciplinary actions assessed against CMAs who have been granted professional membership by a Mutual Recognition Partner and subsequently have been disciplined by that Partner Organization. CMA Ontario will initiate a disciplinary review based on information provided by the Partner.

All required attachments must be included with the application, and the application must be submitted in full and complete form. *Incomplete applications will not be considered and will be returned without evaluation.*

All applications in the province of Ontario should be submitted in original, signed hard copy form to the attention of:

SECTION 4

GOVERNING LEGISLATION AND CODE OF PROFESSIONAL ETHICS

The Certified Management Accountants of Ontario (CMA Ontario) and its members are bound by provincial legislation known as the *Accounting Professions Act* (the *Act*) and the *Regulations of Certified Management Accountants of Ontario* (the *Regulations*) there under.

In addition, CMA Ontario establishes *By-laws*, and a *Professional Misconduct and Code of Professional Ethics Regulation* (the *Code*) to which candidates and members must adhere to.

In summary:

- The *Act* provides CMA Ontario with the sole authority to accredit CMAs in the province of Ontario, including the right to self-government, self-regulation and the right for CMA Ontario members to conduct audit and review engagements provided that they meet the accreditation requirements specified in the Act and Regulation.
- The *Regulations* prescribe the overall admission requirements and standards of the profession.
- The *By-laws* outline the structure and function of CMA Ontario, including the rights and responsibilities of members and candidates.
- The *Code* outlines the parameters of professional conduct for members and candidates.

These documents provide CMA Ontario with the sole authority as a self-regulating body under legislation to accredit CMAs in the Province of Ontario.

Applicants under this MRA have a specific duty and obligation to inform themselves about each of these documents prior to making an application for membership with CMA Ontario as an affiliate of the national CMA Canada organization. If accepted as members, applicants will be fully bound by these documents while retaining membership with CMA Ontario (or by the separate requirements governing other provinces or territories to which the member may subsequently transfer), and the member will be required to maintain their understanding of these documents through regular review. Where required by CMA Ontario, this may necessitate periodic renewals of adherence to specific provisions, such as annual declarations or reporting on ethics and conduct, or post-designation learning compliance.

All documents cited above are publicly available on the CMA Ontario website as follows:

1. Go to www.cma-ontario.org
2. Click on “About CMAs”
3. Click on the sub-section titled “ACT, BYLAWS AND REGULATIONS”

IMPORTANT!

By signing and submitting this application form, you are attesting that you have reviewed and understood the documents cited above. If you have any questions on these documents, please contact CMA Ontario for assistance and guidance **before** making your application.
