

**2011-12 CMA STUDENT AMBASSADOR – Hector Gamez – University of Waterloo – Bachelor of Accounting and Financial Management**

My name is Hector Gamez, and I am one of two CMA Student Ambassadors at the University of Waterloo for the year 2011/2012. I will be completing my Bachelor of Accounting and Financial Management in December 2011 and will be continuing with my Master of Accounting at UW starting January 2012. I have completed three work terms so far at TD Securities, the Canadian Pension Plan Investment Board and Scotia Capital and I will be finishing my fourth and last work term at Barrick Gold Corporation in August 2011. My area of interest in school has been French as I've always wanted to learn a third language and I also hope to have the opportunity to travel and work in different countries around the world. Spanish is my first language as I was born in Mexico City and I've lived in Canada for 11 years. I

have enjoyed my studies at the University of Waterloo and I chose the CMA designation as I believe it will assist me reach my full potential and create value for an organization. I have already been involved in many leadership roles during my undergraduate studies as an Ambassador of the University of Waterloo, and I am excited to take on different challenges as your new CMA Ambassador! I am also looking forward to the opportunity to meet and help students make an informed decision regarding their professional designation and future goals. I am a very approachable individual, so please don't hesitate to contact me if you have any questions or if you simply want to talk to someone about your future possibilities!
