

2011-12 CMA STUDENT AMBASSADOR – Nirav Patel – The University of Western Ontario – Richard Ivey School of Business – Honours Business Administration

Hello! My name is Nirav Patel and I am currently completing my third-year in the HBA program at the Richard Ivey School of Business. In terms of my career endeavours, I see my future in management consulting as I have always been interested in providing innovative solutions and ideas to overcome the status quo. That knack for developing ideas was what led to the development of my first entrepreneurial venture *Organix Vending*. As well, I have a personal passion for competing in business competitions and have done so by taking part in over five, within the past four years. The competitions ranged from providing an in-depth analysis of the travel and leisure industry to developing and presenting a business strategy campaign for Harvey's Restaurants to industry professionals and franchise owners.

In my spare time, I enjoy trading stocks and spend a lot of time searching for the next low price, undervalued, and high-growth potential company (just as most investors would be!). I love reading business articles, magazines and about current events taking place around the world. I am an avid fan of electronic music and enjoy playing sports as well.

I am very honoured in serving as the CMA Student Ambassador for the 2011/2012 academic year at Western & Ivey. Therefore, if you want to know more about myself or the CMA designation, please do not hesitate in getting in contact with me!
