

2011-12 CMA STUDENT AMBASSADOR – Robin Chan – University of Toronto-Scarborough – Bachelor of Business Administration

My name is Robin Chan and I am currently in my fourth year of the Management & Accounting specialist program at UTSC. My duty as the CMA student ambassador is to show students the value that the CMA designation creates and provide a link between students and CMA Ontario.

I am involved in many activities on campus at UTSC. I have been on the executive team for the Filipino Students' Association and volunteered for the income tax clinics run by the Scarborough Campus Student Union. I also worked part-time at school and also for organizations such as Maple Leaf Sports & Entertainment. These experiences taught me that there is more to business than just numbers, and the CMA designation allows professionals to be well-rounded in all aspects of business.

I look forward to interacting with new people and answering any questions that students may have about the CMA designation!

If you would like to contact Robin, feel free to email him at

cma.utsc@gmail.com

For further information about becoming a CMA Ambassador, please contact Monyem Raza directly at mraza@cmaontario.org.
