

**2011-12 CMA STUDENT AMBASSADOR – Yordanka Irinkova – Wilfrid Laurier University – Honours Bachelor of Business Administration**

My name is Yordanka Irinkova and I am the 2011-2012 CMA Student Ambassador for Wilfrid Laurier University. I have been the CMA Student Ambassador on my campus for the past year and it has been a rewarding experience. I am currently in my third year of studies in the Honors Bachelor of Business Administration Program at Wilfrid Laurier. In my final year I will be enrolled in the accounting concentration stream, in the pursuit of a CMA designation. I am highly involved on my campus as I enjoy helping and working with people. By pursuing a CMA designation I want to further invest in personal development and growth by adding value to my future accounting career. As the CMA Ambassador on my campus, I would like to communicate my appreciation for the designation to other fellow students and increase overall CMA awareness. For the upcoming 2011-2012 year I will be collaborating with the Laurier Accounting Association, for a broader reach to the student body interested in pursuing an accounting designation.

I am looking forward to the year ahead and the good things that it has to bring.

**If you would like to contact Yordanka, feel free to email her at**
