

**2011-12 CMA STUDENT AMBASSADOR – Natalie Marshall – McMaster University – DeGroote School of Business – Honours Bachelor of Commerce**

My name is Natalie Marshall and I am entering my fourth year at the DeGroote School of Business. With an entrepreneurial background and a specialization in accounting, I feel that CMA is the best designation to compliment my career aspirations. After working as an Administrative Assistant at a large Real Estate office I also have a keen interest in pursuing an accounting career within the Real Estate Industry.

My time at McMaster has also offered me the opportunity to develop my skills in several extracurricular activities. On the McMaster DECA U Executive I aided in the training of students for a National Business Case Competition while planning the First Annual Mock Provincial Competition. I have also worked with High Business Heroes, mentoring high school students on the fundamentals of business. My biggest lessons were learnt through the Ontario Summer Company Program where I was able to run my own business, The Car Spa. This experience opened my eyes to the satisfaction of being your own boss.

I am excited to represent the designation and educate students on the countless opportunities offered by CMA. If you have any questions at all, please do not hesitate to email me! Look forward to getting to know you this year.
