In an effort to demonstrate our commitment to providing value to our Strategic Leadership Program (SLP), CMA Ontario is offering an opportunity to meet and network with other members in the SLP peer group.

Networking is considered one of today's most powerful tools to a job search by giving you the opportunity to approach your contact list to advise them of your job search and to effectively capitalize on their connections. Representatives from CMA Ontario's career services and member network departments will be facilitating an interactive **Networking Session** that will offer strategies and tips to enhance your professional career and the opportunity to build a list of contacts to develop and establish long lasting professional relationships.
