

## Moving from Canadian GAAP to IFRS

With only months left before the date of adoption (January 1, 2011), it is critical that accounting professionals not only have the key knowledge, but are also aware of how to make the move from Canadian GAAP to IFRS. This session will provide insight into: " IFRS Introduction " Implementation issues including highlights on financial statements and the conceptual framework " Revenue Recognition " Inventories " Provisions and Contingencies " Property Plant and Equipment " Borrowing costs " Deferred Taxes " Leases " Investments in Associates and Joint Ventures " Recent Developments - ASPE " Recent Developments - IFRS Exposure Drafts.

This live video conferencing session will be delivered by Robert Murison, MBA, CA, CMA - who has been employed as an external auditor, cost manager, operations controller, divisional controller corporate controller and chief financial officer over the past 25 years in a number of industries. In recent years he has focused extensively on raising financing and treasury management for an entrepreneurial enterprise as well as strategic and operating planning, for the past decade Robert has also been an accounting instructor at several Ontario Universities and has been very active teaching the CMA Accelerated Program and Exam preparation courses.

Please join your fellow CMA members for an engaging session!
