Surviving the Software Evaluation and Selection Process

Whether it is time to replace existing software or enabling a business process for the first time, at some point in your professional career you will likely lead or be part of a team tasked with evaluating and selecting software, as finance professionals often play key roles in this process.

BDO Solutions invites you to join us for an executive briefing on Thursday, December 3rd where we will share insight and approaches to help your business reduce the cost, risk, and time associated with software evaluation and selection.

About the Presenter:

Anthony D’Ugo, Senior Manager, BDO Solutions

Anthony is a Senior Manager in the BDO Solutions practice and leads the Corporate Performance Management (CPM) and Business Intelligence (BI) service line. He is a CGA with over 12 years of experience delivering process and technology-based solutions including CPM, BI, and ERP. Anthony also advises clients on business process efficiency, software selections, and their overall information management strategies.

About BDO Solutions:

As one of Canada’s most stable and trusted technology advisors, BDO Solutions draws on 75 years of business and accounting experience to offer unparalleled value to clients. With a deep understanding of financial systems, BDO Solutions brings the expert advice clients need to align IT strategy with competitive advantage, making it a true one-stop shop for business solutions.
