“Grapes and Grooves” Wine Tasting

If music and wine had a song, what would it say? Join your CMA colleagues and their guests, Canadian jazz pianist extraordinaire Brian Browne, Groovy Grapes sommelier Ilike Csaba and our gracious host Juniper Kitchen & Wine Bar for a special evening of music, food and wine called Grapes & Grooves.

Grapes & Grooves is a fresh new event concept founded on the total sensory experience. The five senses are brought to an awakening when paired up with vintages and musical flavours. With the help of the experienced sommeliers at Groovy Grapes, discover the layers and sensations of wine enhanced by selected pieces of music and food.

In this presentation, a Groovy Grapes sommelier will cover 7 ways to bring your team together and grow your revenues using music, food and wine as tools. Even in tough times there are some simple concepts that you can apply to your business internally for morale and retention or externally for clients and partners.

Juniper Kitchen & Wine Bar is highly regarded as one of Ottawa's top restaurants with chefs Richard Nigro and Norm Aitken striving to create globally inspired tastes which tempt and delight the palate.

From Montreal to Ottawa, Toronto, and New York; from radio, to television, jazz festivals, clubs and concert venues; from local fans to prime ministers; the Brian Browne Trio never fails to delight audiences with its swinging, pure jazz sound. A Canadian jazz pianist extraordinaire, Brian Browne has a unique natural gift for music that is manifested through a highly individual sense of musical artistry – a gift which granted Browne a certain membership to the distinguished company of jazz musicians in Canadian history.

Those who register before September 18th will be eligible for a draw to win five tickets to the Taste of Little Italy Wine and Food Show happening on September 20th at Sala San Marco:
