### Leadership Culture

How much is your leadership culture costing your organization? Is it an intangible asset or a liability? Organizational Culture is shaped by the leadership of the organization and can be the source of competitive advantage or a challenge to the organization in meeting its goals. In this session you will learn:

- How much your current organizational culture is costing your company
- How you can influence your organization's culture and create competitive advantage
- What being culture savvy can do for you and your career
