Private Enterprise GAAP Seminar

On December 16, 2009, the Accounting Standards Board released widespread changes to Accounting Standards for Private Enterprises to take effect January 1, 2011. If you are a private company and you are not adopting IFRS, you will be required to adopt these standards to be in compliance with GAAP. This session will walk you through the major elements of the new standards.

The Speaker

Jacque Maurice, MBA, CA, FCMA, is an accounting faculty member at the Sprott School of Business at Carleton University. He is also the developer of CMA Ontario's Accelerated Program which is offered to over 2,000 students across Canada annually.
