Employment Dynamics & Growth Expectations (EDGE) Report

Based on Robert Half International and CareerBuilder®'s fifth annual Employment Dynamics and Growth Expectations (EDGE) Report, this presentation uncovers the challenges in finding skilled candidates today, despite a tightening labour market. The presentation compares and contrasts the perspectives of hiring managers and workers, and provides guidance on retaining top performers and gearing up for smart hiring. Looking ahead to an inevitable upturn, the presentation also previews compensation and hiring trends including where the jobs will be, starting salaries for 2010 and what types of professionals companies will be looking to hire.
