

## Moving from Canadian GAAP to IFRS - New Year's Resolution!

Has time passed by and you still do not know the basics of IFRS?

Like many accounting professionals who do not work actively in financial reporting, you may not have been able to make time to get up to speed on the changes from GAAP to IFRS. If you missed one of Mr. Murison's highly rated IFRS presentation in the past year, you should attend this session on IFRS to get up to date with the basics and network with your peers.

It is critical that accounting professionals not only have the key knowledge, but are also aware of IFRS now that we have moved away from GAAP. This session will provide insight into:

- IFRS Introduction
- Implementation issues including highlights on financial statements and the conceptual framework
- Revenue Recognition
- Inventories
- Provisions and Contingencies
- Property Plant and Equipment
- Borrowing costs
- Deferred Taxes
- Leases
- Investments in Associates and Joint Ventures
- Recent Developments – ASPE
- Recent Developments – IFRS Exposure Drafts

### The Presenter

**Robert Murison, MBA, CA, CMA** has been employed as an external auditor, cost manager, operations controller, divisional controller corporate controller and chief financial officer over the past 25 years in a number of industries. In recent years he has focused extensively on raising financing and treasury management for an entrepreneurial enterprise as well as strategic and operating planning. For the past decade Robert has also been an accounting instructor at several Ontario Universities and has been very active teaching the CMA Accelerated Program and Exam preparation courses. He has made a number of highly successful presentations on IFRS
