

Never Let “Them” Out of the Building – Strategies to Manage WSIB Risk

Is your organization ready for the significant changes in how WSIB delivers on its mandate? Are you aware of the potential financial risks you face now and in the future?

This session will explore the importance of Return-to-Work planning on employee relations and the bottom-line. Attendees will learn the following:

- That disability management is a proactive process.
- The goal is to safeguard the employability of the worker while protecting the financial interests of the employer.
- Keeping the worker in the workplace is paramount.
- Strategies for those situations when the worker is not capable of remaining in the workplace.
- The role of both labour and management in the process.

About the Speaker

Robert Smith – Managing Partner, Injury Management Solutions

Robert has assisted many employers obtain significant WSIB cost savings by implementing successful Return to Work solutions, effective claims management and WSIB/ WCB performance analyses. His passion is to help his clients realize higher levels of success.

Joining the Ontario Worker’s Compensation Board (now the WSIB) in 1990 after 15 years in Human Resources and Occupational Health and Safety, Robert’s career spanned eighteen years in all areas of WSIB operations: Vocational Rehabilitation, Safety (Workwell Evaluator), Operations Management (Ergonomics, Return-to-Work, Adjudication, Mediation) and Human Resources Business Partner. His knowledge of the intricate processes of the WSIB makes him an invaluable business partner.

He has a wide range of expertise in the area of human resources, employee & labour relations, workplace absenteeism, disability management, conflict resolution, WSIB case management and health & safety. His expertise spans the public sector, manufacturing, finance and retail organizations.
