

Corporate Governance, Risk & Internal Control Symposium
Odette School of Business, OB212

Join Southwestern Ontario CMAs, business executives and academia in a full day of professional development and networking. This Symposium is proudly hosted by the Odette School of Business (University of Windsor) and will highlight insightful research results on executive compensation, corporate governance, and evidence of improved financial results for companies with good corporate governance strategies. There will also be key research results shared with participants on bullying, Bill 165, ethical business leadership, and cost accounting research on internal control.

Space is limited. Register today for this highly valuable offering!
